20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. Kimberly Kirchmeyer (Complainant) is the Executive Director of the Medical Board
24 of California (Board). She brought this action solely in her official capacity and is represented in
25 this matter by Xavier Becerra, Attorney General of the State of California, by Cindy M. Lopez,
26 Deputy Attorney General.

27 2. Respondent VORAKIAT CHARUVASTRA, M.D. (Respondent) is represented in
28 this proceeding by Compliance Law Group, a Professional Law Corporation.

3. On or about December 8, 1975, the Board issued Physician's and Surgeon's Certificate No. A 29784 to Respondent. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2017-030675, and will expire on January 31, 2021, unless renewed.

JURISDICTION

4. Accusation No. 800-2017-030675 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on January 9, 2019. Respondent timely filed his Notice of Defense contesting the Accusation.

5. A copy of Accusation No. 800-2017-030675 is attached as exhibit A and incorporated herein by reference.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2017-030675. Respondent has also carefully read, fully discussed with counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

9. Respondent understands and agrees that the charges and allegations in Accusation No. 800-2017-030675, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and Surgeon's Certificate.

10. For the purpose of resolving the Accusation without the expense and uncertainty of further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual basis for the charges in the Accusation, and that Respondent hereby gives up his right to contest those charges.

11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to discipline and he agrees to be bound by the Board's imposition of discipline as set forth in the Disciplinary Order below.

CONTINGENCY

12. This stipulation shall be subject to approval by the Medical Board of California. Respondent understands and agrees that counsel for Complainant and the staff of the Medical Board of California may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

23 capacity as the Executive Director of the Medical Board of California, Department of Consumer
24 Affairs (Board).

25 2. On or about December 8, 1975, the Medical Board issued Physician's and Surgeon's
26 Certificate Number A 29784 to Vorakiat Charuvastra, M.D. (Respondent). The Physician's and

28 herein and will expire on January 31, 2021, unless renewed.

JURISDICTION

3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

5. Section 2234 of the Code, states:

"The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

"(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

"(b) Gross negligence.

"(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or omissions. An initial negligent act or omission followed by a separate and distinct departure from the applicable standard of care shall constitute repeated negligent acts.

"(1) An initial negligent diagnosis followed by an act or omission medically appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

"(2) When the standard of care requires a change in the diagnosis, act, or omission that constitutes the negligent act described in paragraph (1), including, but not limited to, a reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the applicable standard of care, each departure constitutes a separate and distinct breach of the standard of care.

"(d) Incompetence.

"(e) The commission of any act involving dishonesty or corruption which is substantially related to the qualifications, functions, or duties of a physician and surgeon.

"(f) Any action or conduct which would have warranted the denial of a certificate.

1 “(g) The practice of medicine from this state into another state or country without meeting
2 the legal requirements of that state or country for the practice of medicine. Section 2314 shall not
3 apply to this subdivision. This subdivision shall become operative upon the implementation of the
4 proposed registration program described in Section 2052.5.

5 “(h) The repeated failure by a certificate holder, in the absence of good cause, to attend and
6 participate in an interview by the board. This subdivision shall only apply to a certificate holder
7 who is the subject of an investigation by the board.”

8 9 **CAUSE FOR DISCIPLINE**

10 **(Repeated Negligent Acts)**

11 6. Respondent is subject to disciplinary action under section 2234, subdivision (c), in
12 that he was repeatedly negligent in his care and treatment of patient B.H. The circumstances are
13 as follows:

- 14 A. Patient B.H. was identified as a patient whose cause of death was related to
15 prescription drugs issued by Respondent. He apparently died of an accidental
16 overdose of medications.
- 17 B. Patient B.H. was referred to Respondent through worker's compensation. They met
18 in 2007 for a surgical clearance B.H. dealt with depression and abused alcohol.
19 B.H. treated with Respondent from March 2007 through June 2013 for psychiatric
20 treatment.
- 21 C. During this time, Respondent prescribed combinations of Wellbutrin/bupropion (an
22 anti-depressant); Celexa/Citalopram (an anti depressant that treats major depressive
23 disorder); Buspar/Buspirone (to treat anxiety); Risperdal/Risperidone (antipsychotic);
24 Seroquel/Quetiapine (another antipsychotic); Valium/Diazepam (for anxiety and
25 sleep); Ambien (for sleep); Theramine (helps with pain); and, Klonopin (treats
26 seizures and panic disorder).
- 27 D. This patient was also prescribed morphine, Soma and hydrocodone by other
28 physicians, at the same time that Respondent was prescribing his variety of

1 medications. Patient B.H. never seemed to have a prolonged improvement in his
2 symptoms, and eventually developed an opioid dependence.

3 E. According to the patient's wife, when B.H. would return home after an appointment
4 with the Respondent, he had a brown paper bag with pills in them, but his wife was
5 not allowed to see them.

6 F. Respondent admitted he knew the patient was simultaneously being prescribed
7 significant doses of morphine, Norco, Soma.

8 G. During these visits, there was no assessment of cognition, substance use and abuse,
9 nor an estimation of the patient's suicide risk. There was no documentation of a
10 discussion of respiratory risks associated with this medication combination.

11 Allegations of Negligence:

12 H. Respondent's prescriptions of Ambien (up to twice the FDA maximum), while also
13 prescribing other respiratory depressants in high doses, without documenting an
14 informed consent of the risks, is a simple departure each time he did so. There were
15 15 departures from January 2012 through May 2013, specifically: January 11, 2012;
16 February 14, 2012; March 13, 2012; May 8, 2012; May 29, 2012; June 16, 2012; July
17 24, 2012; September 18, 2012; October 16, 2012; November 13, 2012; January 2,
18 2013; February 19, 2013; March 17, 2013; April 9, 2013; and, May 9, 2013.

19 I. Between the dates of January 11, 2012, through May 9, 2013, Respondent was
20 negligent when he failed to do an assessment of the patient's substance abuse and use;
21 failed to estimate his suicide risk; and failed to document a specific discussion of the
22 respiratory risks given the combination of Ambien and the many other medications he
23 was prescribed.

24
25 PRAYER

26 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
27 and that following the hearing, the Medical Board of California issue a decision:
28

- 2 issued to Vorakiat Charuvastra, M.D.;
